Campus Infrastructure

Why Choose Bachelor of Interior Design ?

Indore and Ujjain are rapidly evolving into a major economic hub, driven by massive infrastructure projects and a metropolitan development plan integrating surrounding districts. Key developments include a Six-lane access-controlled greenfield highway. By these developments Interior design course offers excellent opportunities in both the cities. Interior design is "the art or process of designing the interior, often including the exterior, of a room or building.

In today's world all hotels, airports, houses, resorts, offices, hospitals, malls, etc. require interior designing. An interior designer is someone who coordinates and manages such projects. Interior design is a multifaceted profession that includes conceptual development, communicating with the stakeholders of a project and the management and execution of the design.

A very good interior designer is also an artist, furniture designer & product designer. At LBSITM, Indore we make sure you gain all the knowledge and skills to reach that level. Design your dream space effortlessly with 'Artificial Intelligence Powered Interior Design Lab'.
